

D&S Elite Construction, Inc.

D&S Elite Construction is a full service general contracting service located in the heart of Douglassville, PA. We specialize in commercial and residential construction and work with both home and business owners to create beautiful, functional spaces to serve their individual needs. We also provide renovation services and can enhance any room or structure with interior and/or exterior upgrades.

Our trained and skilled contractors ensure safety, quality, and satisfaction on every job.

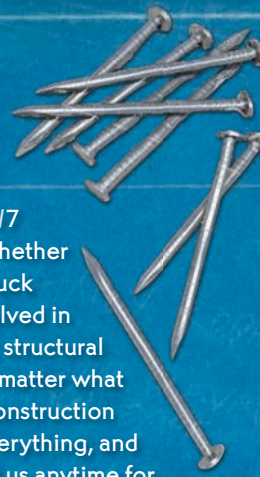

Our number one focus is our clients. With every D&S project, we ensure unsurpassed quality and customer satisfaction.

About Us

D&S Elite Construction was founded by a collaboration of Douglassville's most experienced construction leaders. Combined, our contractors boast over 60 years of experience in the construction industry, which means we can make your construction dream a reality. Contact us today to find out how we can service you!

24/7 Services

What sets D&S Elite Construction apart from other construction companies is our 24/7 emergency service availability. Whether a weather-related disaster has struck your home or you have been involved in a home-related accident needing structural attention, we are here for you no matter what time you call. When it comes to construction related emergencies, timing is everything, and at D&S timing is not an issue. Call us anytime for your emergency construction needs.

DISASTER RESTORATION

When it comes to restoration, the team at D&S Elite Construction are your local experts. We handle water and fire remediation and restoration by providing an array of services to restore and protect your building for the future. We are available 24/7, so when disaster strikes, you can count on D&S. We treat our clients like our family, and will work hand-in-hand with your insurance provider to get you back into your normal routines. Choose D&S for all of your disaster restoration needs.

- Fire Restoration
- Water Damage
- Emergency Board-Up Services
- Emergency Tree Removal

D&S understands the need for immediate action when disaster strikes; that is why we are available 24 hours / 7 days a week for all of your disaster related needs.

Why?

Depending on what has occurred, for example a fire or a flood, it is crucial that you get moving right away on protection and repairs so that you save your structure from further damage. By utilizing OUR emergency services the correct way, you can prevent the following:

- Mold Growth
- Smoke Damage
- Elemental Damage
- Prolonged Outdoor Exposure
- Vermin Infestation
